

Review report from the team on the website: home page

- More pictures should be added to the hero section, 
-  still the same gradient blending
- Change the media image on the home page to 
- The infrastructure image needs to be changed to the Edfrica building image  that is in the drive.
- Input the social enterprise image  and add url to <https://dadeinitiative.com/> there.

STEM needs to be changed to Tlab by Edfrica and everywhere stem is should be changed to STEAM

Under "Who We Serve":

- Remove the word 'donor', leaving the NGO alone.

It should start with **Entrepreneurs and SMEs**, making five in total.

Change the picture under "Our Services." The business development image should be

 and market assessment images should be changed to

.

Compliance and regulation 

Access to finance 

Cross-border market access 

Acceleration and Incubation 

Under certifications, De-risking your partnership

we need to add ISN Innovation Support Network as part of networks

Under Leadership:

- Mr. Mathew should be spelled with one "t", not double "tt".
- Include clickable social links
- Update management team full names and pictures.

Management team full names:

Ebisemiju Omotayo

Sarumi Olayinka

Ikusheka Oluwaferanmi

Kuforiji Joseph

Halimat Adeyemi

Adegbola Kayode Joseph

Eze Joshua
Faith Desmond

Omolara Olaiya

Legal Advisor

Under the Edfrica Institute:

- Change the image at the heading.
- Remove the CAC No. that appears at the beginning.
- You can now add ISN innovation Support Network

Under Edfrica Hub:

- Change the initial wording at first sight.
- Add pricing for the workspaces.
- The Google location integration should be at the last part of the page instead of the building.
- Also, the active office line should be right at the top that is swap the numbers.

Under Edfrica Innovation Hub

The Edfrica Hub

A physical home for innovation.

A co-working, training, and event space in Sokenu, off Nawarudeen Road, Abeokuta South LGA, the operational base for OGEII and the wider Edfrica ecosystem.

Under Contact:

- The map integration should be down; it should not appear at the top.

And lastly, the partnership image should change. 

Under who we serve, entrepreneurs are not included

Entrepreneurs and MSMEs

Connecting entrepreneurs and MSMEs with opportunities, grants, and loans

Note: Please note that all images are uploaded to Google Drive and attached to the email, and all social links are attached to the document.
